- Cat. No. SB-789,** 2 5/8" Diamond Grit Blade

**CRAIN 555 MULTI-UNDERCUT SAW** This versatile saw undercuts along walls, door jambs, under toe spaces, and will fully undercut inside corners. The height of cut is adjustable from 0 to 1" above the floor. Depth of cut max is 1 1/4". The large flat base assures level cutting. A visual adjustment scale provides precision depth control at 1/8" increments. Each saw comes with a 5 3/4" 36-tooth SB-556 carbide blade that is bell shaped for rigidity, and should not be used on any other saw. Also included are a custom carrying case, a spanner wrench for blade removal, and detailed instructions. Operates on std 120 VAC at 6.2 amps. Wt 11 lb.

**Cat. No. US-555 Cat. No. SB-556, Repl. Blade**

**CRAIN 825 HEAVY DUTY UNDERCUT SAW** A more powerful version of the US-555 saw. The new model US-825 has a non-slip thread-locking height adjustment and comes with an SB-821, 6 1/2" diameter, 40-tooth carbide tipped blade that can undercut most doors in place. Depth of cut max is 1 5/8". Also included is the SB-805 masonry blade for undercutting hearths. The saw undercuts walls, jambs, inside corners, and even most toe spaces. It comes with a carrying case, spanner wrench, and instructions. Operates on std 120 VAC at 8.15 amps. Wt 16 lb.

**Cat. No. US-825**

Accessory/Replacement Blades:  
**Cat. No. SB-821,** 6 1/2" 40-Tooth Carbide Tipped Repl. Blade  
**Cat. No. SB-822,** 6 1/2" Diamond Grit Blade  
**Cat. No. SB-805,** 6 1/2" Carborundum Abrasive Masonry Blade

**CRAIN 995 DELUXE FLAMELESS HEAT GUN** Powerful 1500-watt professional type. This high quality gun has a high-speed universal motor that blows instant hot air up to 1000°F. The adjustable intake shuttle gives you the temperature that you want. A 3-position switch provides Hot, Cold, or Off. The big 1 3/16" diameter nozzle houses a replaceable element. Comes with an adjustable stand and an 8' 3-wire cord and plug. Also comes with a carrying case. The unit operates on standard 120 VAC at 14 amps.
